MedBill will also assist in the **registration** of new doctors with MDH and the **set-up** of MGEDT accounts.

Benefits of Outsourcing

Industry average shows a significant percentage of lost revenue for physicians due to typos, errors and omissions. Administrative assistants are stretched thin performing the everyday operations of the office. By outsourcing billings to **MedBill**, physicians are able to focus on the treatment and care of their patients and worry less about the billing administrative piece. Leave that to us.

Benefits Include:

- ❖ Access Specialized Expertise and Resources
- ❖ Reduce and Control Operating Costs
- ❖ Billing completed in a timely manner
- ❖ Admin Assistant has more time to effectively run the office
- ❖ No costly billing software that require maintenance fees, updates or support
